7. Planning Applications for Consideration - To consider applications for planning permission as set out below.

Note: On 6 May 2014 the Council adopted the Teignbridge Local Plan 2013–2033. The Local Plan now has full development plan status and applications must be determined in accordance with the Local plan unless material considerations indicate otherwise.

Members are reminded that on 15 January 2012 Section 143 of the Localism Act 2011 came into force. This section provides that when determining planning applications, local planning authorities shall have regard to:

- (a) The provisions of the development plan, so far as material to the application;

- (b) Any local finance considerations, so far as material to the application; and
- (c) Any other material considerations.

In this context 'local finance considerations' means grant or other financial assistance that has been, or will or could be provided by central Government or sums that a relevant authority, such as Teignbridge District Council has received, or will or could receive in payment of Community Infrastructure Levy.

On 13 October 2014 the Council introduced the Community Infrastructure Levy (or CIL) following the approval of the CIL Charging Schedule by the Independent Examiner in April 2014 and adoption by Full Council on 31 July 2014. CIL replaces Section 106 Agreements for the funding of infrastructure requirements arising from retail and residential developments.

The National Planning Policy Framework (NPPF) came into effect on 27 March 2012 and its provisions constitute material considerations which carry weight in the determination of planning applications. However the Local Plan was prepared in accordance with the NPPF and accordingly there should not be significant divergence between the policies of the Local Plan and the NPPF. Again, the Local Plan has primacy in determining applications.

Each report will give details of the relevant Local Plan policies and the relevant material considerations and the weight to be given to them.

Any representations received after the preparation of the reports will be placed on the Public Access area of the Council's Website and can be viewed prior to the Meeting. <http://gis.teignbridge.gov.uk/TeignbridgePlanningOnline/Search.aspx>
