## 15. FINAL FINANCIAL PLAN PROPOSALS 2024/25 TO 2026/27

This item was introduced by the Executive Member for Resources who explained that very little had changed from the report presented to the January meeting of this Committee except that the funding settlement had realised an additional £135,000 for the authority. He was grateful to the members of the MTFP Task & Finish group for their work and had taken into account all of their recommendations.

The Chief Finance Officer presented a funding chart detailing the expenditure budget for 2024/25 and the funding sources analysed across Revenue and Capital. It was noted that Teignbridge only received around 8% of the Council Tax due to the specific restrictions placed on District Councils (it used to be 11%). Members found the Chart very helpful.

A number of questions were raised and either answered at the time or a follow up response offered if the information was not readily available.

The chair thanked the Chief Finance Officer and his team for their work.

It was proposed by Councillor Cox, seconded by Councillor Buscombe and
