

COUNCIL MEETING

22 April 2021

Public Question

Question from the Friends of The Alexandra Theatre (represented by Dr Richard Ward)

Question:

With the current Memorandum of Understanding between Teignbridge District Council and FoTAT still being debated and not fully signed off, and the imminent vote on the plans by this Full Council, can TDC and the Executive give public reassurance that, moving forward, all potential, viable plans for the Alexandra Theatre will be given the time, discussion, consideration and attention they deserve, and in addition outline how this will take place effectively?

Response from the Executive Member Economy and Jobs

The draft Memorandum of Understanding sets out the proposed way of working between the Council and Friends of the Alexandra Theatre, in line with recent discussions. Once the Memorandum has been agreed and signed it is expected that all parties will be committed to it.
