

TO THE COMMITTEE

We would like the committee to consider private hire plate extension for LDV Maxus S16 EXC Plate number P275 this vehicle has been off the road due to covid19 travel restrictions it is specially built to carry 8 passengers plus cases, golf clubs etc for airport and cruise ship transfers due to a standard 8 seater being overweight with extra luggage.

This vehicle is in excellent condition and has had its annual test with no advisories

We would like the committee to consider this to enable us to get our airport transfer business up and running again once travel restrictions ease as you can imagine the last 14 months have not been good to us.

Thanks Kevin Lynn
