

Please find below an application for an extension to H201, REGISTRATION KV08
XOC Expiry 28th May 2021.

“ I would be very grateful if the committee could consider extending the lifespan of the above mentioned vehicle registration. It's important to have a spare vehicle for contract work for DCC. Taking on board the inability to purchase a replacement vehicle if the MOT and taxi test are successful it's truly helpful to maintain this vehicle for public service with your blessing”.

Kind regards
Denise
