

Please be advised that Eassa Alipour would like committee to consider a further year on the use of registration KV09WPK a silver Mercedes H067. Expiry date 10th June 2021.

“ The vehicle has been purchased by the owner driver directly from Mercedes some years ago, maintained to a high standard. Times are hard for the taxi trade at present so it's not possible to consider purchasing a replacement vehicle. The owner is of retirement age already having spent in the region of 39 years dedicated service to Teignbridge. It will mean a lot if you view the application favourably”.

kind regards  
Eassa Alipour
