

## **Regulatory and Appeals Committee**

Dear Chairman and Councillors

I would like to appeal for an extension to my vehicle DG59 ZBL (H377) a silver Volkswagen Passat.

The licence is due to expire 2<sup>nd</sup> June 2021. The vehicle is in good mechanical and physical condition. It has been a financially challenging 12 months due to the pandemic and the cost of replacing this vehicle with one that is under 5 years old is not something I am currently able to afford. I hope that the committee will look favourably upon my request.

I understand that I have to present the vehicle to a licensing officer so that a report can be prepared and that it must have a taxi test at the depot prior to the next committee hearing.

Yours faithfully

Anghel Marinescu
