

TO THE COMMITTEE

We would like the committee to consider private hire plate extension for Dennis Sabre Fire Engine N422 MAM as this vehicle is a specialist vehicle and not normal private hire we would also like an open ended license if

possible the same as our limousines, Partybuses and Fire engines are on or always have had before so it doesnt have to come to committee every year.

This vehicle is in excellent condition throughout and will have had its annual test before committee.

Thanks Kevin Lynn
