

TO THE COMMITTEE

We would like the committee to consider private hire license for our Chrysler 300c MA06 EPX 8 passenger Limousine

this vehicle is new to us and has undergone a total body and mechanical refurb over the last couple of months to include

full body repaint inside and out, engine overhaul, all new suspension and brakes, new wheels and tyres etc and

is now in as new condition also as this vehicle does many weddings we would like the smaller stick on license plate.

We would also request the open ended license as again only does low miles.

This vehicle is in excellent condition throughout and will have had its annual test before committee.

Thanks Kevin Lynn
