6.d	20/00639/FUL - Rear Of Exminster House Miller Way Six dwellings and associated works Revised plans were received on 4 August 2021 to reposition the two rooflights originally proposed in the north west elevation which were serving Units 1 and 5 to the north east and south west elevations respectively. Officers consider that the repositioning of these rooflights has overcome concerns with regards to overlooking impacts from the proposed new apartment block towards No.2 Miller Way.
