

## **Regulatory and Appeals Committee**

Dear Chairman and Councillors

I would like to appeal for an extension to my vehicle WR10 NUP a silver Kia Ceed, first registered 19<sup>th</sup> May 2010.

The licence is due to expire 28<sup>th</sup> September 2021. The vehicle is in good mechanical and physical condition. Due to Covid, the continuing decline in custom and high cost of replacing this vehicle with one that is under 5 years old I hope that the committee will look favourably upon my request.

Yours faithfully

Nicola Cake
