Risk Assessment

The risks involved in not setting a balanced budget are highlighted throughout the attached report. The major risks are in 3.9, 4.13, 4.15 and 4.26 with reference to uncertainties as to income projections as a result of Covid 19, future funding –

particularly business rates retention and New Homes Bonus and an alternative funding stream to replace New Homes Bonus when this is scrapped. A programme of identifying savings or increased income is required to meet the budget gaps in 2024/25 and future years thereafter if additional funding is not provided from Government.

Environmental/ Climate Change Implications

The revenue budget supports the funding of a Climate Change Officer and associated revenue budget and capital projects are highlighted which contribute towards our climate change objectives in appendix 6 – capital programme. Additional temporary staffing resources are proposed within the revenue budget to assist with the implementation of various works to meet our climate change aspirations.
