

Regulatory and Appeals Committee

Dear Chairman and Councillors

I would like to appeal for an extension to my vehicle SB61 RXZ a silver Mercedes Vito, first registered 21st February 2012.

The licence is due to expires 23rd February 2022 when the vehicle is 10 years 2 days old. The vehicle is in good mechanical and physical condition.

The cost of 8 passengers seat vehicles has risen since Covid and are difficult to source at a reasonable cost. Second hand vehicles that are 8 or 9 years old have gone up in price by around £2000 in the past 18 months.

Due to the current climate and high cost of replacing this vehicle with one that is under 5 years old I hope that the committee will look favourably upon my request.

Yours faithfully
