Appendices/Background Papers

1. Introduction/Background

This performance report looks at the Council Strategy 2020-2030 and covers the period from 1st October to 31st December. If you have any queries please ask them in advance of the meeting.

1.1 T10 Finance – for updating at SLT

[Executive report 8 February](#) 2022 identified budget gaps for future years. Deficits are identified of £2.6 million for 2022/23, £3.3 million for 2023/24 and £2.6 million for 2024/25 and heavy use of earmarked reserves to balance the revenue account in these years and maintain general reserves at just above £2 million. Further representations to Government as part of the fair funding review and continued efforts to generate savings/extra income will need to be made

1.2 T10 Programmes

8 are on track. The following programmes continue to be reported with a caution status:

- A roof over our heads
- Out and about and active

1.3 T10 Performance Indicators

A total of 43 PIs included in the report.

- 12 PIs are either ahead or well ahead of target
- 6 PIs are on target
- 7 PIs are underperforming

There are a total of 18 monitoring indicators tracking background data trends that do not have targets.

2. Implications, Risk Management and Climate Change Impact

2.1 Legal

Although there are no direct legal implication regarding this report, it will be appreciated that the Committee has constitutional responsibility to review and scrutinise the performance of the Council in relation to policy objectives and performance targets to which this report refers.

2.2 Risks

The Council Strategy has a comprehensive set of risks associated to its delivery. Each risk has a set of mitigating actions which are reviewed and updated by the officers directly responsible.

These risks are monitored and discussed as part of the strategic and corporate risk reports that are presented regularly to the Strategic Leadership Team and Audit Scrutiny Committee. Any areas of poor performance or unacceptable risk are identified in the reports.

2.3 Environmental/Climate Change Impact

The council strategy contains a dedicated programme entitled Action on Climate. This programme looks at the actions the authority can achieve to reduce carbon emissions and to increase the district's resilience to the changing climate.

The authority continues to support the Devon Climate Emergency, which is seeking to achieve net-zero carbon emissions across Devon at the earliest credible date.
