120. THE COUNCILS RESPONSE TO THE COST OF LIVING CRISIS

The Committee referred to the agenda report which detailed work being undertaken by the Council in response to the crises.

The Executive Member for Communities, Housing, IT and Cost of Living Crises, and the Housing Needs Lead summaries key work by the Council which included:

- **The development of a cost of living dashboard** providing an overview of the impact of the cost-of-living crisis in Teignbridge including key insights into the types of issues driving the impact. External agencies can use the information, updated monthly, to target support effectively and also to use the intelligence when seeking to attract external funding to support economically vulnerable residents. The dashboard was divided into four key areas: Economy, Fuel and Food Poverty, Housing and Homelessness, and Revenue and Benefits information.
- **The Cost-of-Living Forum – Together for Teignbridge** The forum included representatives from across the statutory and voluntary sector, including Teignbridge District Council, DWP, Citizens Advice Teignbridge (CAB), food banks and larders, town and parish councils, and local welfare and action charities. The purpose of the forum was to gather insight and data from across the sector which could shape future support and direct residents through to the right organisations. Another important factor raised was the need to tackle the stigma of asking for help and signposting to the right support, especially for people who have never previously needed it.
- **Recruitment of a Community and Voluntary Sector 'Connector'**

Using monies provided to the Council under the Household Support Fund funding stream, the Council would be commissioning Teignbridge CVS to recruit a 12-month fixed term post. The post-holder would be based at the Council offices and tasked with referring customers on to support, advocacy and advisory services.

The Committee and the Executive Member for Communities, Housing, IT and Cost of Living Crises commended the work and all officers involved.
