Dear Councillor Alan Connett,

Levelling Up Fund: Round Two outcome

Thank you for submitting an application to the Levelling Up Fund. We know how much time and effort is spent in drawing up local bids, and we are incredibly grateful to you for taking part and applying for the second round. Your application formed part of the significant UK-wide interest in the second round of the Fund and was assessed against the criteria outlined in the Levelling Up Fund prospectus and the Levelling Up Fund technical note.

On this basis, we are sorry to inform you that your application, 'South Devon Cycleway' (LUF20566) relating to Teignbridge District Council, has not been successful.

We appreciate how disappointing this news will be. The UK Government remains firmly committed to levelling up all parts of the UK and officials will provide written feedback on your application to support future proposals. We will provide this feedback as soon as possible, though due to the volume of bids, feedback will not be immediately available. This feedback will also be copied to any MP who provided priority support for the bid. We are pleased to say that there will be another round of the Fund, and we will provide more details on this shortly.

We would like to take this opportunity to offer our sincere thanks for your application, as we continue to help local areas level up across the UK.

With every good wish,

RT HON MARK HARPER MP

DEHENNA DAVISON MP
