

Regulatory & Appeals Committee

16 March 23

Dear Committee

I would like to request a small plate for my new Private Hire vehicle P545. Registration FH68 BMZ, a White Skoda Sport, this registration will be changing to personal plate MR12 GEM.

The vehicle is intended for executive travel, weddings etc. I have a full fleet of vehicles for everyday use so can keep this for special bookings.

Thank you for your consideration

Ugur Kucuk
