

Regulatory and Appeals Committee

Dear Chairman and Councillors.

I would like to appeal for an extension to my vehicle RO10 VVP, a white Vauxhall Insignia.

The licence is due to expire 22nd April 2023. The vehicle is in excellent mechanical and physical condition inside and out. My vehicle is only used for taxi work at the weekends and I maintain it to a very high standard. In the current financial climate I cannot afford to replace it with a vehicle that is under 5 years old. I hope the committee will look favourably on my request.

I will be happy to bring it to the council for an officer to inspect before the committee hearing.

I work during the week so will not be able to attend the committee hearing in person but will happily arrange for my car to be there should you wish to inspect it yourselves.

Yours faithfully

Md Zahed Hussain
