

Dear concerned

As you are probably aware my taxi reg: DN62 WNU H440 is coming to the end of its 10 year working life on 18/05/23.

I would like to apply for an extension on this vehicle due to it exceptional condition i have always maintained this vehicle to the highest possible standard and I have spent over £4000 in the last year alone. On top of this the vehicle had pretty much 2 years off work during the Covid 19 Pandemic so it has n to reached the milage I would expect of a taxi of this age.

I look forward ho hearing from you on this matter.

Kind Regards

Ben Clement
