

Regulatory and Appeals Committee

Dear Chairman and Councillors

I would like to appeal for an extension to my vehicle MK12 YWA, Ford Mondeo.

The licence is due to expire 16th May 2023.

The vehicle is in good mechanical and physical condition.

The cost of replacing this vehicle with one that is under 5 years old is not something I am currently able to afford, the increase cost of second-hand cars and the rate of inflation is having a huge effect on the industry.

I hope that the committee will look favourably upon my request.

I understand that I have to present the vehicle to a licensing officer so that a report can be prepared and that it must have a taxi test at the depot prior to the next committee hearing.

Yours faithfully
