

For the attention of the Regulatory & Appeals Committee

I would like to request to plate a vehicle that is 7 years and 9 months old. The vehicle was plated as a Hackney Carriage vehicle in Teignbridge until August 2022 and has been used by the owner as a private vehicle since.

The vehicle is a Black BMW registration GY65 OMU, it is in extremely good condition. It has a valid MOT with no advisories.

The cost of purchasing a vehicle of this standard and quality that is under 5 years old in this financial climate is cost prohibitive.

As this vehicle had been licensed with until last August, I hope that the committee will look favourably on this application.

Yours sincerely

David Ward
