Dear Committee Members

I would like for you to consider extending the Hackney license on my vehicle for one year.

It is a Volkswagen Sharan in good condition, it is serviced every 10,000 miles. Its annual MOT is not due until 8 January 2024. Its current Taxi license expires 24 September 2023, I will be booking a taxi test prior to the meeting.

Our vehicle is well maintained, ensuring that it is serviced regularly and kept running efficiently. We also have our own wash facilities so that the vehicle can be cleaned inside and out each day. This prolongs the life of the upholstery and interior. As well as making sure the vehicle's exterior is checked each day.

As you are aware the waiting time to buy a new car is considerable. We have been told at the moment the car we wish to purchase will be available in Spring 2024.

Many thanks
