

Regulatory and Appeals Committee

Dear Chairman and Councillors

I would like to appeal for an extension to my vehicle DY63 VKL a black Volkswagen Passat, first registered 30th September 2013.

The licence is due to expire 27th November 2023 and will be 10 years and 2 months old. The vehicle is in excellent internal and external condition. I am not in the financial position to replace this vehicle with one that is under 5 years old due to the increasing cost of rent etc.

I keep this car at a very high standard and it is mechanically in excellent working order. Please consider my application for an extension.

Yours faithfully

Mihail Gheorghe
