1. PURPOSE

1.1 To inform Members of the number of times the Financial Instructions and Contract Procedure Rules have been waived and the reasons for this.

2 BACKGROUND

2.1 The Financial Instructions and Contract Procedure Rules provide the framework for managing the Council's financial affairs. They apply to every member and officer of the Council and anyone acting on its behalf. Sometimes there are instances where the rules cannot be followed and requests are made to waive them. One of the following criteria must be met:

| 1 | LIFE OR DEATH There is significant chance that the life or health of officers, members, or the public will be put at real risk. |
|---|--|
| 2 | INCREASED COST / LOSS OF INCOME The Council will incur significant avoidable costs or lose significant income. |
| 3 | LIMITED MARKETS The Council would be wasting its time tendering as supply of the product or service is demonstrably restricted to one or few businesses. |
| 4 | URGENT ACTION REQUIRED The Council would be criticised for failing to act promptly. |
