Dear committee members re DY63 KYA we need to keep this vehicle a taxi for several reasons we are in the process of recruiting new drivers and feel that Dawlish area has a poor weekend and night service many people complain that it's very hard to get a taxi in the area a number of new drivers don't work long hours or weekends. When we worked for Mr John partridge there was allways night and weekend cover but this has dropped off dramatically. so in a effort to improve this situation we need this vehicle and possibly further vehicles once we find suitable candidates ..We have a response of 3 new drivers coming to apply and the 6 seater type that this vehicle is are more beneficial hope this clarify s the need and the vehicle is clean tidy and smells divine inside yours mike m grabacab
