

Regulatory and Appeals Committee

Dear Chairman and Councillors

I would like to appeal for my vehicle to be relicensed. The plate expired on the 6th February and I did not realise until the following day. I did not receive a reminder email and although I know it is my responsibility to ensure that I know when my renewal is due this was overlooked. I am 5 months pregnant and unfortunately have been quite ill therefore I am not as organised as I usually would be.

My vehicle was first registered on the 17th June 2018 and is 5 years and 8 months old. It is a Red Peugeot Allure and is in excellent condition inside and out.

Please consider my request to re licence it as I cannot afford to replace this vehicle with one that is under 5 years old with a young family and a new born on the way.

I hope you look favourably on my request and forgive me this oversight on this occasion.

Yours sincerely

Anna Stanbridge.
