

Executive 4 June 2024

Public Questions

Question from J Dingsdale

Given recent changes, such as the new definition of extremism following the independent review of Prevent, cass, the kcsie update and the rse update, should the council be looking into how this contested belief had affected local democracy?

Response from Executive Member for Homes and Communities

The council are represented on the Devon and Torbay Prevent partnership through the South Devon and Dartmoor Community Safety Partnership we will share your thoughts with that partnership for consideration.
