

Regulatory and Appeals Committee

Dear Chairman and Committee

I would like to request an extension for my vehicle. It is a Vauxhall Zafira, first registered 2<sup>nd</sup> April 2013, Registration DY13 YRL. The current plate expires 15<sup>th</sup> February 2025 and the vehicle will be 11 years and 2 months old on expiry of the current plate.

The vehicle is in excellent condition inside and out. The cost of replacing a 6 seater vehicle in the current climate is a massive financial commitment. The taxi trade is currently struggling with fewer clientele, especially during January – March.

Please consider my request as this is an excellent and reliable vehicle that I maintain to a high standard. I have enclosed photographs and will be happy to present the vehicle to you should you wish to see it

Yours sincerely
