

Regulatory and Appeals Committee

Dear Chairman and Committee

I would like to request an extension for my Seat Alhambra, first registered 30/09/2014, Registration KN64 THV. The current plate expires 6th February 2025 and the vehicle will be 10 years and 4 months old on expiry of the current plate.

The vehicle is in excellent condition inside and out. The vehicle is very reliable, a well maintained and needed 6 seater vehicle.

As this is not my main employment and I only do taxi work 3 or 4 weekends a month in the late-night economy I cannot afford to purchase a newer vehicle.

As a qualified engineer I am able to carry out regular services and replace any parts that are showing signs of wear or fatigue. Any work cannot carry out myself is completed by an certified garage.

I have enclosed photographs and will be happy to present the vehicle to you should you wish to see it.

Yours sincerely

Michael French
