

## **Regulatory and Appeals Committee**

Dear Chairman and Councillors

I would like to appeal for an extension to my vehicle WF14 EKG, a Kia Carens first registered 29<sup>th</sup> March 2014.

The licence is due to expire 18<sup>th</sup> February 2025 and will be 10 years and 11 months old.

The vehicle is in excellent condition internally and externally. The vehicle forms part of a fleet and I gradually replace the vehicles when it is no longer viable to keep them maintained to a high standard. I have recently had a run of bad luck with vehicles needing to be taken off the road due to engine faults and cannot afford to replace this car at the current time.

I will present my vehicle to the Licensing Officer for inspection on request so that they can confirm that it was in excellent physical condition.

If the vehicle is granted an extension, I understand that it will be subject to 6 monthly inspections and I will be happy to comply with this.

This vehicle is still in excellent working order so please consider my application for an extension.

Yours faithfully

Ugur Kucuk
