

Dear Debbie

Please see a selection of photos as requested taken inside and out of my taxi attached at the end of this email.

I wish to continue to licence this vehicle because it is only just 10 years old on the 29/01/2025. The vehicle has only done just over 90000 miles, this is well below average for a family car let alone a taxi of this age.

The vehicle is serviced regularly, is very well maintained and is clean inside and out. This vehicle remains safe, reliable and environmentally compliant. I only use this vehicle for 2 hours a day during term time.

Best wishes

John
