

Overview & Scrutiny Committee 4 February 2025

Question from member of the public: Jenny Dingsdale

At the recent full council meeting, it was suggested that the working group for Cllr Taylor's motion would be dependent on the advice received from the Barrister. Please explain why the working group, as voted for, should not go ahead regardless of what the Barrister thinks?

Response:

The council received the Notice of Motion and is dealing with it in accordance with its procedural rules and the Constitution
