

## Regulatory and Appeals Committee

Good morning, Chairman and Councillors

I would like to request an extension for my vehicle H416, FM14 LZX. A Black Toyota Avensis first registered 30<sup>th</sup> July 2014. The vehicle will be 10 years and 8 months old when the current licence expires 30<sup>th</sup> March 2025.

The vehicle is in excellent condition inside and out and is regularly serviced. I keep the vehicle in good order inside and outside at all times and it is a smooth comfortable ride. The cost of replacing this vehicle with one that is under 5 years old is very expensive and I feel that this car is better presented than many that are younger.

It passed its current MOT with no advisories and I will be happy to present the vehicle to yourselves for inspection. I have submitted photographs of the vehicle's interior and exterior.

I would be grateful if you would grant an extension of 12 months on this vehicle

Yours sincerely
