

Regulatory and Appeals Committee

Dear Chairman and Councillors

I would like to appeal for an extension to my vehicle FJ63 ZSZ a grey Toyota Avensis first registered 4th September 2013.

The licence is due to expire 25th March 2025 and will be 11 years and 6 months old. The vehicle is in excellent internal and external condition. It is not in the financially viable for me to replace this vehicle with one that is under 5 years old at the current moment in time due to the current economic climate and the increasing lack of custom.

I will present my vehicle to the Licensing Officer for inspection on request so that they can confirm that it was in good physical condition.

If the vehicle is granted an extension, I understand that it will be subject to 6 monthly inspections and I will be happy to comply with this.

I keep this car well maintained and it is mechanically in excellent working order.

Please consider my application for an extension.

Yours faithfully

Dragos Paul Dudau
