2. RELEVANT POLICY AND LAW

2.1 Paragraph 5.2 of the Council's Hackney Carriage and Private Hire Vehicle Licensing Policy states that:

A vehicle being presented for initial licensing is required to be under five years old at first registration.

2.2 All vehicle licences are issued annually.

2.3 Section 48(4)(c) of the Local Government (Miscellaneous Provisions) Act 1976 states that:

'Every licence granted under this section shall— (c) remain in force for such period not being longer than one year as the district council may specify in the licence.'

2.4 Section 48(2) of the Local Government (Miscellaneous Provisions) Act 1976 states that:

'A district council may attach to the grant of a licence under this section such conditions as they may consider reasonably necessary including, without prejudice to the generality of foregoing provisions of this subsection, conditions requiring or prohibiting the display of signs on or from the vehicle to which the licence relates.'

2.5 The above Policy and statutory provisions reflect the Council's responsibility to ensure that all hackney carriage and private hire vehicles are safe and fit for use by members of the public. The Committee has the discretion to license a vehicle if it is of the view that the vehicle is safe, fit for use and is in an acceptable condition.

2.6 The decision of the Committee following a complete review of the Hackney Carriage and Private Hire Policy in April 2009, after taking into account the views from the trade, were as follows:

"The Committee decided that vehicles being presented for initial licensing must be under five years old."

2.7 Section 50(1) of the Local Government (Miscellaneous Provisions) Act 1976 provides:

'that a district council shall not under the provisions of this subsection require a proprietor to present the same hackney carriage or private hire vehicle for inspection and testing on more than three separate occasions during any one period of twelve months.'
