To Whom It May Concern,

I, Andrew Hiew, the owner of the taxi vehicle H011 would like to renew the taxi vehicle license for another year please.

The vehicle itself is still in good condition. it require some minor work done for the car but nothing too major and can be done at a later date.

I am not able to find a new car because of financial issue at the moment as I haven't been working too much for the pass year. Which also mean the car haven't been used as much in the pass year. Hopefully next year i can pick up a school run again and start working more toward getng a new car.

I need this car at the moment as it's my only mean of earning.

Thank you for considering my request. I look forward to your reply.
