

# **GamCare Training Services: Awareness and Prevention**

## Why choose GamCare?

GamCare is the UK's leading provider of information, advice, support and treatment for anyone affected by problem gambling. We also work to minimise gambling related harm through education and training.

Since 1997 GamCare has provided training for clinicians, researchers, educators, policy makers, the gambling industry and other professionals to increase understanding of problem gambling, its causes and consequences.

With 20 years of expertise, speaking daily to those affected by gambling problems, GamCare can work with many different organisations to raise awareness of problem gambling, and to educate those who might choose to gamble to do so responsibly.

This brochure is for anyone in a frontline role working with the public who believes they may come into contact with those affected by gambling related harm.

We deliver a comprehensive range of training products to suit your needs. Contact us today to discuss your requirements.

"The sessions Gamcare hosted have improved our knowledge and understanding of responsible gambling and the issues that can affect our customers.

This was an empowering session for all - our teams are now better equipped and more confident in dealing with more complex and sensitive matters."

## Awareness and Prevention

### Problem Gambling Awareness

3 hours

15 max.

On-site or at our London office

Provides an understanding of problem gambling and gambling-related harm, including signs, symptoms and the impacts of problem gambling on an individual's life and those around them.

- Start to understand the psychology of gambling, why people gamble and what happens to the brain when we gamble.
- Understand the difference between gambling and problem gambling, indicators and how to signpost to appropriate services.

This course is for those working in frontline roles where they may encounter those affected by gambling-related harm, and who wish to gain a better understanding of the issue.

### Problem Gambling - Identification and Brief Advice

3 hours (CPD)

15 max.

On-site or at our London office

Provides in-depth understanding of gambling-related harm, with a focus on key risk factors and how to identify the problem, how to use a brief gambling screen and a range of current referral sources.

- Understand problem gambling, how to screen for it and structure a brief conversation to elicit further detail.
- Attain knowledge of the support and advice available, including player protection tools as well as emotional and practical support.

This course is for those working in frontline roles where they may encounter those affected by gambling-related harm, such as gambling industry staff, primary care workers, clinicians, advisers support workers or other healthcare professionals.

It provides the skills and knowledge to manage concerns and direct individuals to specialist help and support.

## Gambling Industry Training

### Social Responsibility and Interaction

**6 hours (3 CPD Hours)**

**15 max.**

**On-site or at our London office**

Enables gambling industry managers and employees to identify customers who may have an issue with gambling, to understand their behaviour and conduct sensitive, meaningful interactions with those customers at the right time and place to signpost to appropriate support services.

As well as helping teams to identify the behavioural characteristics of customers who may be at risk of gambling-related harm, this course gives an understanding of the psychology of gamblers in relation to interaction. It will encourage the development of skills to provide effective, motivational interactions and conversations with at-risk customers.

This course is aimed at those working across the gambling industry, who have responsible gambling interactions with customers in a frontline capacity, such as customer service teams or those working in land-based premises.

### Social Responsibility, Communication and Motivating Behaviour Change

**12 hours**

**15 max.**

**On-site or at our London office**

Provides staff with the knowledge and skills to have proactive interactions on the subject of responsible gambling with all customers, whether or not they are experiencing harm from their gambling.

This two-day course gives an in-depth understanding of how motivational communication works and includes opportunities for practice time, to improve confidence in handling interactions with social, at-risk or problem gamblers.

The course equips learners with the theoretical and practical skills for handling calls and conversations, with special focus on staying safe and self-care when dealing with more challenging situations.

This course is aimed at those working across the gambling industry dealing with escalated responsible gambling issues, who need to carry out proactive responsible gambling interactions.

## Gambling Industry Training & Certification

### GamCare Extra eLearning: Player Protection and Social Responsibility

**1 hour**

**eLearning**

Increase understanding of problem gambling and player protection.

Find out how to identify and respond to player activity that may indicate problem gambling, inform customers about responsible gambling and signpost to appropriate help and support.

Extra eLearning is a series of scenario-based multiple choice modules, aimed at those interacting with customers in the remote sector of the gambling industry.

### GamCare Certification

We recognise the importance of acknowledging those organisations that achieve high standards of social responsibility and player protection. We also believe that it's important that players can identify companies that operate to these high standards.

GamCare Certification is a voluntary audit process, assessed against our Code of Practice, and we certify both remote and land based gambling companies that have successfully implemented player protection policy and practice relevant to their platform and gambling service.

For more information contact Daniel Reilly at [daniel.reilly@gamcare.org.uk](mailto:daniel.reilly@gamcare.org.uk)

"The Certification process certainly assisted us in understanding our role, as operators and product suppliers, regarding (the prevention of) problem gambling. Knowing our role is key to understanding our responsibilities."

## Awareness and Prevention

### Young People and Problem Gambling Awareness

 **3 hours (CPD)**

 **15 max.**

 **On-site or at our London office**

Around 370,000 young people aged 11-15 gamble each week, and it's estimated that as many as 25,000 may already be problem gamblers (Gambling Commission, 2017).

Many more may also be affected by the gambling of a loved one.

Youth facing professionals such as teachers and youth workers are well placed to be able to minimise harm as part of a robust safeguarding, mental health and prevention agenda.

This training provides knowledge of the nature of young people's gambling, confidence when dealing with the issue and awareness about where to signpost young people to if they need further support.

This CPD Accredited course is suitable for anyone working with young people aged 11-19.

### Identification and Brief Advice - For Universities

 **3 hours**

 **15 max.**

 **On-site or at our London office**

Student gambling issues are an increasing concern for universities. Provide your staff with the awareness, knowledge and skills to identify problems with gambling and advise students who are affected.

Attendees will gain practical communication skills to invite students to discuss their gambling and provide a brief screening of their gambling behaviour, and will leave equipped with the knowledge of which services they can signpost to for further support.

This training is relevant to all staff members at universities who interact with students - you may be working in the student finance department, or you may be a clinician or welfare worker.

## Awareness and Prevention

### Identification and Brief Advice - For the Criminal Justice System

 **3 hours**

 **15 max.**

 **On-site or at our London office**

Problem gambling is disproportionately prevalent amongst those in the criminal justice system. From arrestees to those on probation, there is compelling evidence that problem gambling is an issue which too often remains unidentified.

Provide your staff with the knowledge and skills to be aware of, understand and screen for problem gambling.

This training will enable staff to understand the complexities of the issue and will equip your team with the knowledge of which services they can signpost to for further support.

This training is for anyone working within the criminal justice system, at any stage.

Please note we offer reduced fees for charities and statutory sector organisations.

### Identification and Brief Advice - For Sports Clubs and Organisations

 **3 hours**

 **15 max.**

 **On-site or at our London office**

This course raises awareness of problem gambling for professional sports players, academies and the sports industry, and promotes a responsible attitude to gambling among this at-risk group.

This training provides coaches and sports leaders with the knowledge and skills to screen for problem gambling. It will enable attendees to understand the complexities of the issue and will equip them with the knowledge of which services they can signpost to for further support.

This course is aimed at leaders in the sports industry who have a duty of care to their players.
