

Dear Councillors,

I am writing to formally request an extension of the licence for my vehicle, a black Ford Mondeo (registration MK12 YWA).

The vehicle was first registered on March 5, 2012, and will be 14 years and 2 months old at the time of renewal. I have recently started my own business, and purchasing this second-hand taxi was the only viable way for me to begin my operations independently.

The vehicle is in excellent condition both internally and externally, and I have already received many compliments from my clients. As I continue to expand my business, I hope to be in a better financial position to replace this vehicle with a newer model in the future.

Thank you for taking the time to consider my application. I look forward to your response.

Yours sincerely

Ashley Street
