Officers will continue to seek the best rate, balanced against risk, at the time of investment. Use of call and notice accounts with Santander, Lloyds and Clydesdale continue. These accounts provide access to flexible deposits, with a range of access options and interest rates. Treasury Bills, an AA/Aa2/AA (very securely) rated, short dated form of Government debt which are issued by the Debt Management Office via a weekly tender are also included on the lending list, offering the Council an additional secure investment option.

From 1 January 2019, the largest UK banks separated core retail banking from investment banking in order to support financial stability and make any potential failures easier to manage without the need for a government bailout. The banks have addressed ring-fencing, each taking their own approach about which side of the bank is best suited for local authorities. Officers continue to monitor all ratings to ensure they meet the council's lending criteria.
