Late representations/updates

Item No.	Description
6.a	22/00305/HOU - 9 Oak Hill Dawlish Single/two storey side/rear extension and car parking space to the front No updates received

Item No.	Description
6.b	<p>21/02720/HOU - Ranworth Thornley Drive Alterations to annexe roof including first floor storage area</p> <p>Two further representations have been received raising the following summarised comments:</p> <ul style="list-style-type: none">- Overdevelopment of the site, annexe roof will be too high- Loss of view (please note that loss of a view is not a valid planning reason to object to, or refuse, a planning application)- Adverse impact on outlook and the street scene- Comment on different coloured roof ridge tiles- Had this annexe development been proposed as part of the last application it may not have been acceptable- Comments on the content of the presentation to Committee by the Case Officer, including reference to changes to the design of the scheme and ceiling height of the new first floor room <p>The agent has submitted a new plan indicating the new ridge height of the annexe versus the existing ridge height.</p> <p>The agent has submitted a letter to the LPA raising the following summarised comments:</p> <ul style="list-style-type: none">- For the avoidance of doubt the increase in the ridge height of the annexe roof is 1.5m- The applicant is not seeking to avoid CIL because the development is not CIL-liable because it is a private residential development <p>The Officers responsible for CIL have been consulted on this proposal. Whilst a householder extension of greater than 100sq.m. is liable for CIL, householders are able to apply for an exemption. The development will therefore not result in any CIL payment to the LPA.</p>

Item No.	Description

Item No.	Description
6.h	<p>22/00106/HOU - Doveteign Farm Holcombe Down Road Two storey side extension, front and rear extensions and associated works</p> <p>Cllr Russell, who called the application to Committee, has provided the following comment via email to the Democratic Services Officer:</p> <p><i>Having read the latest report concerning the proposed additions to this property and the assurances given by the ecological report I am now satisfied that the necessary ecological protections will be observed. I approve the Recommendation.</i></p>

Item No.	Description
6.i	<p>18/00438/ENF - Stoneybrook Stables, Torbryan, Newton Abbot</p> <p>Unauthorised siting of a caravan</p> <p>Received an update from the owner stating that the matter should be put on hold as they still intend to appeal the Certificate of Lawfulness of the Existing use.</p> <p>To date there is no record of an appeal being submitted. Officers consider a Notice remains appropriate.</p>

Item No.	Description
6.j	<p>19/00264/ENF - Oakmoor Caravan Site, Bovey Tracey</p> <p>Unauthorised siting of a mobile home</p> <p>Received an update on behalf of the owner who still wishes to submit a new application to relocate the mobile home and overcome the reasons for the planning refusal. As such they consider the enforcement action should be put on hold whilst further discussions are carried out to avoid any unnecessary costs and time dealing with an appeal.</p> <p>There is also a request that as enforcement action will mean the occupiers of the mobile home will be made homeless, a compliance period of 12 months be given to provide sufficient time address the planning issues.</p>

These matters can be managed through time limits included in the notice if required, officers consider a notice remains appropriate.

Also received correspondence from a member of the public supporting the propose course of action.
