**Risk Assessment**

The risks involved in not setting a balanced budget are highlighted throughout the attached report. The major risks are in 3.9, 4.13, 4.15 and 4.26 with reference to uncertainties as to income projections, future funding – particularly business rates

retention and New Homes Bonus and an alternative funding stream to replace New Homes Bonus when this is scrapped. A programme of identifying savings or increased income is required to meet the budget gaps in 2026/27 and future years thereafter if additional funding is not provided from Government.
